

#TVGoneJewy: TV's Jewish Renaissance

March 16 @ 7pm EST

Today's Jewish writers are reclaiming and reshaping Jewish identity on-screen, and audiences are reacting to the increased Jewish representation with enthusiasm and worry, alternating between celebration and condemnation. So, what do we look for in Jewish representation on TV? We'll look at some clips and talk about how Jewish identity is currently being portrayed on TV and in the world.

featuring Esther Kustanowitz,
an award-winning writer, editor,
consultant and speaker.
